Atlantic Memorial Elementary School

In 1959 Our Lady of Mount Carmel school was combined with other small schools around the area. This school was called Atlantic Memorial Elementary School. It is located in Shad Bay and is named after the S.S. Atlantic which sunk off the shore of Lower Prospect (Terrence Bay) in 1877. This photo is a picture of the first board of Parent/Teachers in October 1960 . It was called Home and School Association then.
